WBPSA Food SI Exam Pattern 2023

Navigating through the WBPSA Food SI exam pattern is akin to possessing a guide for your expedition. It not only facilitates effective preparation but enhances your confidence when facing the actual exam. Now, let's decode the WBPSA Food SI exam pattern for the year 2023.

Within the WBPSA Food SI Recruitment 2023 Selection Process, there are two primary phases to navigate. The first phase involves a written examination, and upon successful qualification in this stage, candidates proceed to the subsequent interview round.

Following is the exam pattern for the WBPSA FOOD Sub Inspector Exam for the year 2023.

Written Examination

In the written examination, you will encounter a single paper encompassing two subjects:

1. General Studies
2. Arithmetic

This paper will carry 100 marks, with each subject contributing 50 marks. The allotted time for completion is 1½ hours. The examination format comprises multiple-choice objective-type questions.

Personality Test

The personality test holds a total weightage of 20 marks. Moreover, candidates, selected on merit from the written exam results, will receive invitations for the personality test. Additionally, the final merit list is compiled by combining marks from both the written examination and the personality test.

The Commission reserves the authority to establish qualifying marks for the written examination, personality test, and overall aggregate, as deemed necessary.
