## WBPSA Food SI Exam Pattern

Understanding the WBPSA Food SI exam pattern is like having a roadmap for your journey. It not only aids in thorough preparation but also boosts your confidence for the actual test. Now, let's unravel the WBPSA Food SI exam pattern.

The WBPSA Food SI Recruitment Selection Process comprises two main phases. The initial phase encompasses a written examination, and upon clearing this stage, you progress to the subsequent interview round. Here's the exam pattern for the WBPSA Food Sub Inspector Written Exam:

### Written Examination

- WBPSA Food SI Exam will be conducted in offline mode.
- You will receive OMR Sheets to mark your answers for Multiple Choice Questions (MCQs).
- A total of 100 MCQs will be included in the examination, divided into two sections: General Studies and Arithmetic.
- Correct answers will be awarded 1 mark each.
- For every incorrect response, you will face a deduction of 1/3 marks.
- The examination duration allotted to each candidate will be 90 minutes.

### Personality Test

The personality test holds a total weightage of 20 marks. Moreover, if you are selected on merit from the written exam results, you will be eligible for the personality test. Additionally, the final merit list is compiled by combining marks from both the written examination and the personality test.
