In the WBPS Food SI Recruitment exam pattern, you will encounter two main phases. Initially, you will go through a written examination, and if you qualify in the written exam, you will then proceed to the interview round.

### WBPS Food SI Exam Pattern - Written Examination

In the written examination, you will find just one paper covering two subjects:

## WBPS Food SI Exam Pattern - 100 Questions in 90 Minutes

The subjects are General Studies and Arithmetic

Further, the total marks for this paper are 100, with each subject carrying 50 marks.

You will have 1½ hours i.e. 90 minutes to complete the examination.

Moreover, the examination will involve multiple-choice objective-type questions.

Next, let's understand what is the personality test.

### **WBPS Food SI Exam Pattern - Personality test**

In the personality test, the following things will be considered:

The personality test is worth a total of 20 marks.

A specific number of candidates, chosen based on merit from the written exam results, will be invited for the personality test.

The final merit list will be crafted by combining the marks from the written examination and the personality test.

The Commission holds the authority to set qualifying marks for the written examination, personality test, and overall aggregate, as needed.

Now that you've understood the WBPS Food SI exam pattern, let's understand the WBPS Food SI Notification.

### **WBPS Food SI Notification - An overview**
