[Source: The Dhronas]

Now that you are informed about the West Bengal Police Exam date 2024 and its online application, let us get into the overview of both the WBP SI and Constable Notification 2024.

West Bengal Police SI Notification 2024

A detailed notification for the WBP SI was released by the West Bengal Police Recruitment Board on 6th March 2024 on their official website. If you are applying for the post of SI, this is the notification that you need to pay attention to! Through this notification, they have given details about the West Bengal Police exam date 2024 for SI post, its eligibility criteria, vacancies, syllabus, and more.

- According to the notification, there are in total of 464 vacancies, which are further bifurcated into various categories along with gender. However, remember that these vacancies are purely provisional and subject to marginal changes.
- As per the notification, there are four eligibility criteria for this examination which consist of citizenship, age, educational qualification and language, minimum physical measurement and PET.

West Bengal Police Constable Notification 2024

The same goes for the WBP Constable position. The official notification was released on 6th March 2024 by the WBP recruitment board. They have given out information about the West Bengal Police exam date 2024 for constables, eligibility criteria, syllabus and much more about the constable exams.

- As per the notification, there are a total of 11749 vacancies for the constable post, which is divided into male and female categories. Similar to the SI post, these vacancies are purely provisional and subject to marginal changes.
- There are five eligibility criteria for this examination which are age, educational qualification, language and two more. Check out the recruitment on the official website.

West Bengal Police Admit Card 2024

The admit card is a very essential document while entering the examination hall as it contains information about you such as your name, date of birth, enrolment number, exam centre, timing etc. The invigilator checks your admit card during the exam. Without it you won't be able to appear for the exam, so make sure that you carry it while going to the exam centre.

Usually, the notification for the admit card is released 7 to 8 days before the exam date. However, the West Bengal Police exam date 2024 has not been announced yet so the admit cards have also not been issued yet. Keep yourself updated with us so that you get your admit cards on time. Once the admit cards are released you can download them from the official website

. A few days after the admit cards are released, the notification for the West Bengal Police exam date 2024 will also be released on the official website.

West Bengal Police Exam Pattern and Syllabus 2024

Now that you have got information about the West Bengal Police exam date 2024, notification and admit card, let us now understand the exam pattern which is another important element of the exam. To excel in your exams along with understanding the exam pattern, it is also important to understand the syllabus. A syllabus is an essential element as it not only helps you plan out your studies, it also helps you select study materials and manage your study time.

West Bengal Police SI Exam Pattern and Syllabus 2024

If you are applying for the SI post, understand the SI exam pattern properly and plan your studies accordingly. This paper will be based on MCQs or Computer-based tests. The total marks for Prelims and Final Competitive exams is 200 marks. For each wrong answer, there is a negative marking. The duration of the exam for Prelims is 1 hour 30 minutes and for the Final Combined Exam, it is 4 hours. The paper will be set in three languages (Bengali, English, and Nepali).

Now that you have acquired knowledge about the West Bengal Police exam date 2024 and its exam pattern, let us overview the syllabus for the SI exam 2024 so that you can choose your study materials wisely.

- The SI exam includes questions from four subjects outlined below:
  - General Studies: Politics, science, culture, history, and economics are some of the topics for the general studies section of the exam.
  - English: Topics such as vocabulary, grammar, idioms sentence structuring etc. will be there in this section.
  - Logical and Analytical Reasoning: Topics to prepare for this section are relationship concepts, coding and decoding, statements and conclusions, space visualization and so on.
  - Arithmetic: Topics to be studied in the arithmetic section are ratio and proportion, fractions, trigonometry, percentages, decimals, graphs and more

You can get detailed information about these subjects and their topics from their official website. Moreover if you want to know about the

SI selection process

for the exam, check out our blog.

West Bengal Police Constable Exam Pattern and Syllabus 2024

If you are applying for a constable post you need to give a written examination which will consist of MCQs and OMR-based questions. The duration of the exam will be of 1 hour and the question paper will be set in two languages (Bengali and Nepali). There would be 85 objective-type questions having multiple choice answers carrying 01 mark each. For each incorrect answer, there will be a negative marking of ¼th of the total marks allocated to the question. The marks obtained in the Written Examination will be taken into account while preparing the merit list for selection.

Now that we have understood the exam pattern, let us move ahead with the syllabus of the exam.

- The Constable exam includes questions from four subjects outlined below:
  - General Awareness and General Knowledge: Topics in this section will be history and politics, current affairs, Indian culture, heritage and so on.
  - English: For the English section topics like vocabulary, grammar sentences, comprehension, idioms and phrases etc. will be given in the paper.
  - Elementary Mathematics: Topics in this section will be algebra, profit and loss, percentages, interests and more.
  - Reasoning and Logical Analysis: The questions that will be asked in this section will be from topics like arithmetical reasoning, problem-solving, cause and effect, space visualization and more.
